HELIX BIOPHARMA CORP. CLOSES PRIVATE PLACEMENT

(Richmond Hill, Ontario) – Helix BioPharma Corp. (TSX: “HBP”) (“Helix” or the “Company”), an immuno-oncology company developing innovative drug candidates for the prevention and treatment of cancer, today announced it has closed a private placement financing for gross proceeds of \$1,100,000.

The terms of the placement are for the purchase of units at \$0.50 per unit. Each unit is comprised of one common share and one common share purchase warrant. Each common share purchase warrant will entitle the holder to purchase one common share at an exercise price of \$0.70 and have an expiry of five years from the date of issuance. Helix intends to use the net proceeds of the private placement for working capital and research and development activities.

ACM Alpha Consulting Management AG provided financial advisory services to Helix in connection with the private placement.

Cautionary Statements

This news release may contain forward-looking statements with respect to Helix, its operations, strategy, financial performance and condition, including its activities relating to its drug development program, any anticipated timelines for the commencement or completion of certain activities such as raising sufficient capital, merger and acquisition

activity, listing on a U.S. exchange and other information in future periods. These statements generally can be identified by use of forward-looking words such as “may”, “will”, “expect”, “estimate”, “anticipate”, “intends”, “believe” or “continue” or the negative thereof or similar variations. The actual results and performance of discussed herein could differ materially from those expressed or implied by such statements. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations, including: (i) Helix’s ability to operate as a going concern being dependent mainly on securing sufficient additional financing in order to fund its ongoing research and development and other operating activities; (ii) the generally inherent uncertainty involved in scientific research and drug development and those specific to Helix’s pre-clinical and clinical development programs (DOS47, L-DOS47, V-DOS47 and CAR-T); (iii) that any transactions contemplated herein are completed; and (iv) those risks and uncertainties affecting Helix as more fully described in Helix’s most recent Annual Information Form, which is available at www.sedar.com (together, the “Helix Risk Factors”). Certain material factors and assumptions are applied in making the forward-looking statements, including, without limitation, that sufficient financing will be obtained in a timely manner to allow Helix to continue operations and implement its clinical trials in the manner and on the timelines anticipated and that the Helix Risk Factors will not cause Helix’s actual results or events to differ materially from the forward-looking statements. These cautionary statements qualify all such forward-looking statements.

Forward-looking statements and information are based on the beliefs, assumptions, opinions, plans and expectations of Helix’s management on the date of this news release, and the Company does not assume any obligation to update any forward-looking statement or information should those beliefs, assumptions, opinions, plans or expectations, or other circumstances change, except as required by law.

The securities offered have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities laws, and may not be offered or sold within the United States or to, or for the account or benefit of, any U.S. persons (as defined in Regulation S under the U.S. Securities Act) unless pursuant to an exemption from those registration requirements. This press release does not constitute an offer to sell or a solicitation of an offer to buy any such securities of Helix BioPharma Corp. in the United States or any other jurisdiction.
