Helix Biopharma Corp. Announces Appointment of New Chief Financial Officer

(Richmond Hill, Ontario) – Helix BioPharma Corp. (TSX: “HBP”) (“Helix” or the “Company”), a clinical-stage biopharmaceutical company developing unique therapies in the field of immuno-oncology, based on its proprietary technological platform DOS47, is pleased to announce the appointment of Mr. Hatem Kawar as the Company’s Chief Financial Officer effective immediately. The appointment of Mr. Kawar is key in positioning HBP to successfully transition the Company with efficiency and effectiveness.

Mr. Kawar has been working as the Financial Controller of HBP since July 2021. He also serves as a Financial Controller of Grove Corporate Services Ltd (“Grove”) which provides governance, accounting and administrative services to small-cap public and private companies in Canada. Mr. Kawar has 25 years’ experience as CFO and/or Controller to several public companies in Canada. Previously, he was a project manager for an industrial minerals’ operation in Saudi Arabia. Mr. Kawar has a degree in Engineering from the University of Liverpool in the UK as well as MBA in Finance from the Schulich School of Business at York University.

“I am very pleased to welcome Hatem into the CFO role. I look forward to working with together to create and deliver value to our shareholders, in this next exciting phase for our Company.” said Mr. Artur Gabor, CEO of Helix.

Mr. Kawar will be joined by Ms. Namrata Malhotra, who will be assuming the role of Corporate Secretary for the Company. Ms. Malhotra serves as a Corporate Secretary with Grove and has an extensive background in corporate governance management and regulatory compliance. Ms. Malhotra has most recently held the position of Assistant Vice-President, Corporate Secretarial and Compliance at a fintech start-up in India. A recent immigrant to Canada, Ms. Malhotra is an experienced Corporate Secretary to public companies in Canada.

Forward-Looking Statements and Risks and Uncertainties

This news release contains forward-looking statements and information (collectively, “forward-looking statements”) within the meaning of applicable Canadian securities laws. Forward-looking statements are statements and information that are not historical facts but instead include financial projections and estimates, statements regarding plans, goals, objectives, intentions and expectations with respect to the Company’s future business, operations, research and development, including the Company’s activities relating to DOS47, and statements regarding expected improvements to the Company’s independence, diversification and corporate governance and the Company’s expectations regarding strengthening its future growth capabilities. Forward-looking statements can further be identified by the use of forward-looking terminology such as “ongoing”, “estimates”, “expects”, or the negative thereof or any other variations thereon or comparable terminology referring to future events or results, or that events or conditions “will”, “may”, “could”, or “should” occur or be achieved, or comparable terminology referring to future events or results.

Forward-looking statements are statements about the future and are inherently uncertain and are necessarily based upon a number of estimates and assumptions that are also uncertain. Although the Company believes that the expectations reflected in such forward- looking statements are reasonable, such statements involve risks and uncertainties, and undue reliance should not be placed on such statements. Forward-looking statements, including financial outlooks, are intended to provide information about management’s current plans and expectations regarding future operations, including without limitation, future financing requirements, and may not be appropriate for other purposes. Certain material factors, estimates or assumptions have been applied in making forward-looking statements in this news release.

The Company’s actual results could differ materially from those anticipated in the forward-looking statements contained in this news release as a result of numerous known and unknown risks and uncertainties, including without limitation; the risk that the Company’s assumptions may prove to be incorrect; the risk that additional financing may not be obtainable in a timely manner, or at all, and that clinical trials may not commence or complete within anticipated timelines or the anticipated budget or may fail; third party suppliers of necessary services or of drug product and other materials may fail to perform or be unwilling or unable to supply the Company, which could cause delay or cancellation of the Company’s research and development activities; necessary regulatory approvals may not be granted or may be withdrawn; the Company may not be able to secure necessary strategic partner support; general economic conditions, intellectual property and insurance risks; changes in business strategy or plans; and other risks and uncertainties referred to elsewhere in this news release, any of which could cause actual results to vary materially from current results or the Company’s anticipated future results. Certain of these risks and uncertainties, and others affecting the Company, are more fully described in the Company’s annual management’s discussion and analysis for the year ended July 31, 2021 under the heading “Risks and Uncertainties” and Helix’s Annual Information Form, in particular under the headings “Forward-looking Statements” and “Risk Factors”, and other reports filed under the Company’s profile on SEDAR at www.sedar.com from time to time. Forward-looking statements and information are based on the beliefs, assumptions, opinions and expectations of Helix’s management on the date of this new release, and the Company does not assume any obligation to update any forward-looking statement or information should those beliefs, assumptions, opinions or expectations, or other circumstances change, except as required by law.
