## **Helix BioPharma Announces Filing of Interim Financial Statements and Lifting of MCTO**

(Toronto, Ontario – May 16, 2024) – Helix BioPharma Corp. (TSX: “HBP”) (“Helix” or the “Company”), a clinical-stage biopharmaceutical company developing unique therapies in the field of immune-oncology, based on its proprietary technological platform DOS47, is pleased to announce the filing of the Company’s interim financial statements for the six months ended January 31, 2024 (the “Financial Statements”), the management’s discussion and analysis relating to the Financial Statements, and the CEO and CFO certifications relating to the Financial Statements (collectively, the “Interim Filings”).

Following the filing of the Interim Filings, the Company’s principal regulator, the Ontario Securities Commission, lifted the management cease trade order effective May 15, 2024, which was originally granted on March 25, 2024 in connection with the late filing of the Interim Filings.

### **About Helix BioPharma Corp.**

Helix BioPharma Corp. is a clinical-stage biopharmaceutical company developing unique therapies in the field of immune-oncology for the prevention and treatment of cancer based on our proprietary technological platform DOS47. Helix is listed on the TSX under the symbol “HBP”.

### **Forward-Looking Statements and Risks and Uncertainties**

*This news release contains forward-looking statements and information (collectively, “forward looking statements”) within the meaning of applicable Canadian securities laws. Forward-looking statements are statements and information that are not historical facts but instead include statements regarding plans, goals, objectives, intentions and expectations with respect to the Company’s future business, operations, research and development, including the Company’s activities relating to DOS47. Forward-looking statements can further be identified by the use of forward-looking terminology such as “will”, “plans”, “expects”, or the negative thereof or any other variations thereon or comparable terminology referring to future events or results, or that events or conditions “will”, “may”, “could”, or “should” occur or be achieved, or comparable terminology referring to future events or results. Forward-looking statements are statements about the future and are inherently uncertain and are necessarily based upon a number of estimates and assumptions that are also uncertain. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, such statements involve risks and uncertainties, and undue reliance*

**Press Release**

*should not be placed on such statements. Forward-looking statements are intended to provide information about management's current plans and expectations regarding future operations and may not be appropriate for other purposes. Certain material factors, estimates or assumptions have been applied in making forward-looking statements in this news release. The Company's actual results could differ materially from those anticipated in the forward-looking statements contained in this news release as a result of numerous known and unknown risks and uncertainties, including the risk factors discussed in the Company's continuous disclosure record filed under the Company's profile on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca) from time to time. Forward-looking statements and information are based on the beliefs, assumptions, opinions and expectations of Helix's management on the date of this new release, and the Company does not assume any obligation to update any forward-looking statement or information should those beliefs, assumptions, opinions or expectations, or other circumstances change, except as required.*
